ABOUT THE WORKSHOP

Aligned with the National Education Policy (NEP) 2020, this workshop aims to sensitise participants about the vision and key features of NEP 2020 and orient them to the updated Geography curriculum. It will equip educators with the knowledge, skills and pedagogical approaches required for effective implementation of the curriculum in higher education.

OBJECTIVES

- To sensitise participants about the NEP 2020 vision and its implications for Geography.
- To orient faculty to the structure, content and learning outcomes of the Geography curriculum.
- To promote skill-based, experiential and interdisciplinary learning in Geography education.
- To build capacity for integrating geospatial technologies and digital tools in teaching and assessment.
