# Terms and Conditions

## General Terms and Conditions:

- 1) An **Earnest Money Deposit (EMD)** amounting to Rs 50000.00 is to be deposited/uploaded in the form of a CTS Demand Draft from any nationalized bank in favour of University of Gour Banga payable at Malda along with the e-quotation and shall be refunded at the end of contract period to the successful bidder, if there is no grievance against the agency or on submission of completion certificate issued by the University Engineer (Civil). The EMD may be forfeited or a portion of EMD may be deducted if any dispute arises during pendency of the contract.
- 2) At the beginning, period of contract shall be for 5 (Five) years for the successful bidder/agency of the University of Gour Banga at the same rate (Including all taxes), terms and conditions as quoted and prescribed below on basis of satisfactory performances of the successful bidder/agency.
- 3) For non-schedule item of works, expenditure will be met by the University adding @15 % as profit & overhead expenditure, 1% Sundries on cost of materials, labour, loading, unloading & carriage, as applicable (on basis of supporting documents submitted by the agency and duly approved by the University Engineer (Civil) after necessary checking & correction, if any), if the item of works goes beyond the schedule of Rates of PWD, West Bengal. GST & LW Cess will be added as per prevailing Government rate & norms time to time. For the item of works/supply covered in PWD schedule, the rate(s) shall be taken AT PAR with the PWD schedule of rates for Malda district with all its latest corrigenda & addenda at the time of NIQ/NIT. For supply of materials/equipments, a 10% profit may be added (depending on the nature of supply and mode of pricing by the manufacturer) with the actual cost of supply, loading, unloading, carriage, as applicable (duly approved by the University Engineer, Civil) if the item is not covered in PWD schedule, WB. GST & LW Cess will be added as per prevailing Government rate & norms time to time, if applicable. The approximate job value for supply, repair and maintenance works shall be Rs.1200000.00 (twelve lakhs) for one calendar year. For works/supply beyond Rs.12.00 lakhs (during any one year of contract), prior intimation is to be given by the agency to the University Engineer (Civil) before commencement of work/supply and shall only be executed on written permission from the end of the University Engineer (Civil). However, this includes for works/supply up to Rs.12.00 lakhs and no separate work order will be issued to the agency by the University Engineer (Civil) in this regard. A separate register(s)/measurement book(s) for the work done will be maintained by the Engineering Branch of the University of Gour Banga in this regard. Defect liability period for repair and maintenance works shall be guided as per norms of PWD, Govt. of West Bengal depending on the nature of work.
- 4) An agreement will be executed on non-judicial stamp of Rs.100.00 in between the University Engineer (Civil), on behalf of University authority and the successful bidder/agency within 15 days from the date of issue of work order. The notice inviting e-quotation (eNIQ/eNIT) including all its terms and conditions as mentioned, work order etc. shall be a part of the agreement during pendency of the contract.
- 5) Registration certificate of the farm/deed of partnership as applicable (in photocopies duly self-attested by the proprietor/partner) shall have to be uploaded/submitted along with the e-quotation. The University authority reserves the right for verification of original documents at any time at their discretion during the process of bidding or pendency of the contract period and the bidder will have to produce/furnish the original documents to his/her client/the University authority in this regard. Failure to produce/furnish of the original documents shall be treated as breach of contract and the University

authority reserves the right to cancel such e-quotations/work order as submitted/issued and may terminate the agency (successful bidder) on this ground at any time during pendency of the contract at their discretion with a penal action for 3 years blacklisting of the said successful agency in this ground from doing any job/supply work in the University of Gour Banga.

- 6) **Successful bidder/agency may submit their bill on monthly basis for operation part of Sub Station Building and DG Set at the Office of the University Engineer, UGB for necessary certification and payment shall be made accordingly on availability of fund.** Repair and maintenance bill shall be made quarterly or part thereof as decided by the University Engineer (Civil) at his discretion depending on the volume of work. Security deposit against repair and maintenance works shall be guided as per norms of PWD, Govt. of West Bengal in vogue.
- 7) Valid Licence to Electrical Contractors from Government of West Bengal, PAN, GST, PT, Trade Licence, Credential Certificate(s) (duly self-attested) are required to be uploaded/submitted by the bidders along with their quotation.
- 8) Payment will be made through account payee cheque. Taxes shall be deducted as per prevailing Government norms from each bill at the time of payment. Price shall be quoted in Indian Rupees (INR).
- 9) The bidders, at their own responsibility and risk is encouraged to visit and examine the site of works and its surroundings and obtain all information that may be necessary for preparing the bid and entering into a contract for the work as mentioned in the Notice Inviting Tender, before submitting offer with full satisfaction, the cost of visiting the site shall be at his own expense.
- 10) Supply of Fuel bill of Diesel Generator Set will be made as per actual running time shown in control panel with an actual load basis analysis by the University Engineer or his representative.
- 11) Maintenance bill will be released after satisfaction performance of the agency certified by the University Engineer or his representative.

### **Technical Terms and Conditions:**

- 1) The Supervisor & Operators are to be engaged to perform 24 hrs duties (round the clock) in the Sub-Station in shift-wise (not more than 8 hrs for any person per day) system for smooth running of the electrical supply system.
- 2) The supply, repair and maintenance works mainly related to 11/0.4 KV Electrical Sub-Station, 750 KVA dist. Transformer, Switch Gears, LT Panels, Diesel Generators, Cables, Different Main and Floor Panels in different locations/buildings within the campus of University of Gour Banga at Malda. This also includes maintenance/cleaning of cable trench or its related works as and when required/instructed for smooth supply of the electricity.
- 3) The operation of Diesel Generator Set (250 KVA) shall also be a part of the works as and when required including pouring of fuels/lubricants, checking of diesel, mobil etc on regular basis. The supply of the high quality diesel, mobil, lubricant, coolant etc as required shall be met by the successful bidder/agency initially and the cost will be reimbursed by the University authority on basis of log book /requisition (separately to be maintained for each equipment) and consumption statement maintained by the successful bidder/agency and which shall duly be certified from the end of the University Engineer (C) or his authorised representative(s).
- 4) Fuel Level of the 250 KVA Diesel Generator Set should be maintained more than 50% in all time.
- 5) In any emergency situation agency have to arrange any support day or night as per instruction of the University Engineer(Civil)
- 6) Log book(s)/register(s) etc as required are to be maintained for the operation/work as per direction of the University Engineer (C) or by his representative(s) and to be kept in the Substation building for every day basis by the successful bidder/agency to keep the records of the supply voltage, current etc for every month separately at their own cost and to be submitted at the office of the University

Engineer time to time.

- 7) Tools and tackles for any work, operation & maintenance of equipment etc as required shall have to be arranged by the agency at their own cost.
- 8) Electrical Supervisory Certificate/license of competency for the 11KV bulk power systems, up to 650 volt, cable, transformer & switch gear (**with part—1, 2, 6A, 6B, 7A, 7B, 11 & 12**) along with valid License to Electrical Contractors from Government of West Bengal and adequate relevant credential on electrical Works/Supply/Operation & Maintenance from any Govt. Organization/Govt. Enterprise/Govt. Statutory Body /Universities in last five years should be possessed by the agency and shall have to be uploaded/submitted (photocopies duly self-attested) with the e-quotation by the proprietor/partner of the agency on all such documents. The University authority reserves the right for verification of original documents at any time at their discretion during the process of bidding or contract period and bidders will have to satisfy their client/the University authority in this regard. Failure to that shall be treated as breach of contract and University authority reserves the right to cancel such e-quotations as submitted or may terminate the contract/agency on this ground at any time during pendency of the contract at their discretion. Also the University authority reserves the right to decide/finalize the criteria for relevancy of credentials at their own discretion.
- 9) The agency shall have to engage experienced electrical operators/technicians/supervisors having adequate workmen's permit, electrical supervisory license for 11 KV bulk power systems, up to 650 volt L.T. bulk power system, cable, diesel generator etc as required. The minimum academic qualification of the operators/technicians/supervisors shall be class VIII passed from any recognised Institution/Board(s). Relevant documents in this regards shall have to be submitted (in photocopies) duly self-attested by the incumbents within ten (10) days from the receipt of work order. The University authority reserves the right for verification of all original documents at any time at their discretion during the process of bidding or contract period and bidders will have to satisfy their client/the University authority in this regard. Failure to that shall be treated as breach of contract and the University authority reserves the right to cancel such e-quotations as submitted or may terminate the contract/agency (successful bidder) on this ground at any time during pendency of the contract at their discretion.
- 10) Agency shall maintain & comply with all standard/relevant safety norms and measures at their own cost for such operation/execution of works. That does not include installation of fire extinguishers, buckets etc or construction of fire grids for wet risers or down comers system.
- 11) Relevant IS codes, PWD, WBSEDCL & Government guidelines for execution & operation of works with all its amendments time to time shall be in force for the electrical works/operation during the contract period under this contract and agency shall have to obey and carryout all such stipulations/instructions.
- 12) The repair & maintenance of switch gears, transformers, LT panels, cabling works, batteries etc are to be carried out by engaging the experienced and well versed Engineers/Technicians/Workers in respective field of work and to be engaged by the agency as and when required and to be paid accordingly.
- 13) Maintenance of batteries for switch gears, transformers, DG Set (250 KVA) etc are to be carried out on regular basis and with great attention and the temperatures are to be recorded on regular basis to avoid breakdown in the system.
- 14) The University Engineer (Civil) at his discretion reserves the right to select any make/brand for any item(s)/accessories/equipment etc required to be procured /installed for the works/maintenance under this contract.
- 15) Maximum age limit for the technicians/supervisors/operators engaged by the agency shall not exceed 55 (fifty five) years. Age proof certificate duly self-attested by the incumbent shall have to be submitted by the agency within 10 (ten) days from the receipt of work order and may be verified with the original

documents as per discretion by the University authority/ the University Engineer (Civil) at any time during the pendency of the contract. Copy of the appointment letters issued by the agency to the incumbents engaged for the said works along with joining letter from the end of the incumbents are also required to be submitted within 10 (ten) days from the receipt of work order and may be verified with the original documents as per discretion by the University authority/ the University Engineer (C) at any time during the pendency of the contract and bidders will have to satisfy their client/the University authority in this regard. Failure to that shall be treated as breach of contract and the University authority reserves the right to cancel such e-quotations as submitted or may terminate the contract/agency on this ground at any time during pendency of the contract at their discretion.

- 16) Any intention for alteration in deployment of technicians/operators/supervisors by the agency shall have to be brought to the knowledge of the University Engineer (C) beforehand by submission of all relevant documents in this regard and shall only be effected after getting written permission/consent from the end of the University Engineer (Civil).
- 17) Agency/ successful bidder is required to be engaged at least 1 (one) Supervisor cum Operator (preferably in day time on everyday basis and having adequate experience with necessary/relevant validelectrical licences as mentioned above from the respective Government department in the said field of work) and 2 (two) Operators (having adequate experience with valid workmen's permit from the respective Government department in the said field of work) i.e. in total 3 (three) personnel on daily basis (round the clock for 24 hrs.) having essential/relevant licences for their respective position of work for smooth running of the electricity supply system and maintenance of electrical equipment.**
- 18) All materials required to be used by the contractor for the work are to be procured from the market by the contractor as per IS specification/as recommended and shall duly be approved by the University Engineer (Civil) or by his authorized representatives.
- 19) Supervision of electrical components of works will be carried out by concerned wings of the department (office of the University Engineer) under the overall coordination of the University Engineer (Civil) as the case may be.
- 20) The department reserves the right to send such electrical materials to the manufacturers/authorized test laboratory to verify the genuineness and quality of product.
- 21) The whole work shall be carried out in engineering like manner and bad workmanship shall be rejected summarily. For redoing the job, no claim of the contractor shall be entertained on this account.

### **Special Terms and Conditions:**

- 1) The duty roster for the supervisors/technicians/operators shall be maintained after duly approval of the University Engineer (C) or by his representative(s) and shall be kept at the Substation for all the time. The attendance register for the operators/technicians/supervisors shall have to be maintained by the successful bidder/agency at their own cost and need to be kept at the Substation all time for its necessary vigilance by the University authority time to time.
- 2) University authority may inspect the Substation building, equipments installed therein, registers/documents related to the operation and maintenance etc at any time at their discretion and any obstruction from the end of successful bidder/agency or by their representative(s) in this regard shall not be entertained. The University authority reserves the right to take necessary administrative/legal steps in case of any mischief, if occurred from the end of successful bidder/agency or by their any representative(s) during pendency of the contract.
- 3) During the execution of the contract client may include new clauses/terms & conditions by taking written consent from the end of successful bidder/agency or by negotiation between both parties (client and agency). The University authority also reserves the right to negotiate any financial matter (which are not included initially in the contract) with the successful bidder/agency as and when required at their discretion for any further scope of works during this period of contract.

- 4) Security personnel at the Electrical Sub Station Building may be provided from the end of the University authority, if required or desires so by the University authority.
- 5) Any damages to the existing University's property like electrical equipments, buildings, service cable lines, cable trench, electrical panels, diesel generator(s), electrical wiring, plug, switch, socket, fan, light etc, if detected done by the agency, shall have to be rectified at their own cost as directed by the University Engineer (Civil) and no payment/claim on that ground shall be paid/entertained by the University authority on that ground. In case of failure to comply the direction of the University Engineer(C), the special deposit amount/EMD or the security deposit may be fully or partly be forfeited against such rectification works as per discretion of the University Engineer (C). Also the University authority may take legal/administrative action, if the damages (occurred in the grounds as mentionedabove) are not properly rectified by the agency at their own cost and within the specified time.
- 6) **Penalty may be imposed by the University Engineer (Civil) at his own discretion or as guided in the PWD rules and regulations, Govt. of West Bengal during execution of works for negligence in duties/ mis behaviour/disobeying/substandard works/failure to comply with the defect liability criteria etc from the end of agency or any representative(s) engaged by the agency.**
- 7) The Tender Inviting Authority reserves the right to deny or accept or reject any or all the applications and to amend/change/supplement/cancel any clause or the whole tendering process, at any point of time without any obligation & assigning any reasons what-so-ever and without thereby incurring any liability to the affected bidder or bidders or any obligation to inform the affected bidder or bidders of the ground for such action.
- 8) In case of fore-closure or abandoned of the works by the University authority the contractor will be eligible to be paid for the finished work/actual work done but not for any losses.
- 9) There is no provision/scope of Joint Venture (JV) under this contract.
- 10) **Eligibility Criteria**..... Intending tenderers/quotationers should produce credentials of a completed work of minimum value of Rs.200000.00 (rupees two lakhs) in a single work during 5 (five) years prior to the date of issue of the tender/quotation notice. The photocopy of the credential document/certificate is required to be attached/uploaded with the tender documents, otherwise the tender/quotation will be treated as cancelled. **Only payment certificate or work order will not be treated as credentials. However, payment certificate along with work order of a work will be treated equivalent as credential certificate.** Credential certificate issued by the Executive Engineer or equivalent or competent authority of a State/Central Government, State/Central Government undertaking, Statutory/Autonomous bodies constituted under the Central/State statute, on the executed value of completed work will be taken as credential.
- 11) Those who have applied in the 1<sup>st</sup> call, their EMD not required to be done afresh for the 2<sup>nd</sup> call and the same will be considered as the work remains unchanged. The same may be uploaded again, if valid (not expired) for the given time frame of the re-tender.
- 12) Validity period of the supervisory licence of competence is required to be uploaded by the prospective bidders.
- 13) The contract may be terminated at any time during its pendency at the discretion of the University authority if the above mentioned terms and conditions are not properly complied with/maintained by the successful bidder/agency. For any discrepancy, decision taken by the Vice Chancellor, University of Gour Banga is final and binding. And for any court cases the jurisdiction will be Calcutta High Court.
